WHY CHOOSE AFC?

LONGEST WORKMANSHIP GUARANTEE

Unlike other companies that guarantee repairs for 30 or 60 days, AFC guarantees the parts and labor of any repair for the life of the plan—that's up to three years. We work with skilled contractors who make lasting repairs, not quick, temporary fixes.

GUARANTEED RATES

We lock in renewal premiums for a minimum of five years, so even if repair costs go up, you'll pay the same great price for the great coverage.

TRANSPARENCY

We make it easy to know exactly what is and isn't covered and why. In addition, we provide customers with dedicated account managers, so you always have someone specific to call with questions. From broken to fixed, we deliver outstanding service.

MEMBER BENEFITS

You get more than just a warranty with an AFC plan. Your membership comes with discounts on security services, medical services, home goods, dining, shopping, and more.

OUTSTANDING SERVICE IN-HOUSE

AFC Home Club is an American company, so whenever you call or email, you're speaking with someone who lives and works in our headquarters in Georgia. No outsourced call centers, long wait times, or run-around.
